***This chart is a loose summary of major coverage items from each manufacturer. Please refer to a copy of the actual written manufacturer warranties to fully understand the details of coverage and exclusions.**

****Limitations for Wear and Tear:** Manufacturers do not cover normal adjustments for wear and tear such as locks, wheels and other moving parts that may need adjustments due to building settlement or normal usage over time. HomeStar is willing to complete this type of service for our customers for a fee of \$75.00 per visit after one year of installation. This will be done at no charge during the first year after installation to ensure proper installation of our products.
